When you give to the CFM you join a community that values wise leaders for our churches and communities – men and women of spiritual depth and maturity. Because of the generosity of visionary people like you....

- 300 Mississippi pastors return to their congregations from continuing education events each year refreshed with new insights and with a renewed sense of their call to ministry
- 139 part-time local pastors, who serve small membership churches across our region, gain confidence in using practical ministry skills and receive a solid foundation in biblical studies and Christian theology, worship and pastoral care
- 25 newly-trained spiritual directors from 7 denominations and 5 states make their gift for holy listening and spiritual guidance available in their congregations and communities, welcoming others into Christ's gracious presence
- 15 grateful and refreshed participants in the Shepherd's Sabbath retreat series go about their ministries with new-found zest as they care for their own health and well-being, establish new patterns of spiritual practice, and form lasting friendships with peers
